Director of Central Intelligence
Central Intelligence Agency
Washington DC 20505

Dear Secretary [REDACTED]

In behalf of the National Defense Study Section of the Commonwealth Club of California I wish to sincerely thank you for your letter dated August 17, 1976, and the extensive amount of documents that were also forwarded. We consider them to be so valuable that we will deliver them to the Club library for retention.

We have just held our first full review of our Study and confess that we are most pleased with the results thus far shown.

A completed copy of the report will be forwarded to the Director as soon as it is completed.

For your information we are always on the alert for good speakers that might be passing through the Bay Area.

Thank you so very much, and our sincerest respects to the Director.

Very Cordially Yours

Henry J. Armstrong
